

Aftershow Report 2023

ECOMONDO[®] MEXICO

Highlights

TOP 10

Antonio Luna
Commercial Manager ECOTEC

"We have had the presence of many interested people from both government and private companies, it has helped us a lot to get closer to different areas of this region."

Paolo Malfitano
Market Analyst for the Italian Agency for Foreign Trade

"We consider the second edition of Ecomondo as a success, we are convinced that it can be consolidated as one of the most important events of the environmental sector in the Central American and Caribbean area, it is the beginning of an important area for Mexico and the world."

ENERGY NIGHT

Cocktail / Networking

We celebrated Energy Night like an impressive networking event that left attendees with a unique and unforgettable experience. This event brought together more than 350 VIP guests from the industry such as: entrepreneurs, politicians and exhibitors, creating a platform to connect, do business, and drive Mexico's energy and sustainable agenda.

Visitor

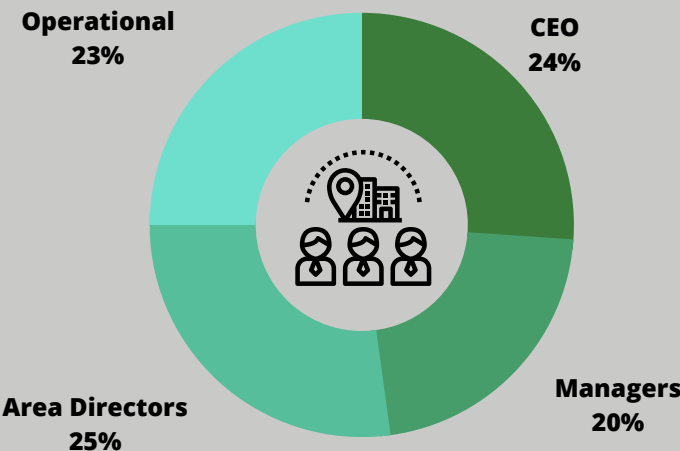

"The conferences were very good, with very valuable information, it was very interesting to learn about the experiences and knowledge of industry experts, there were many international speakers".

VISITOR

"We had many contacts, we talked to very interesting exhibitors, we intend to participate in following editions."
